October 2024

# Objectives of the 150<sup>th</sup> anniversary events

- We are planning a number of events in 2025.
- The focal point will be in Paris and Versailles in the week of 20<sup>th</sup> May 2025.
- The aim of these events will be:
  1. To celebrate the achievements of 150 years of metrology by the BIPM since the signature of the Metre Convention.
  2. To promote metrology to the widest possible global audience.
  3. To present a new vision and strategy for the BIPM for 2030 and beyond.

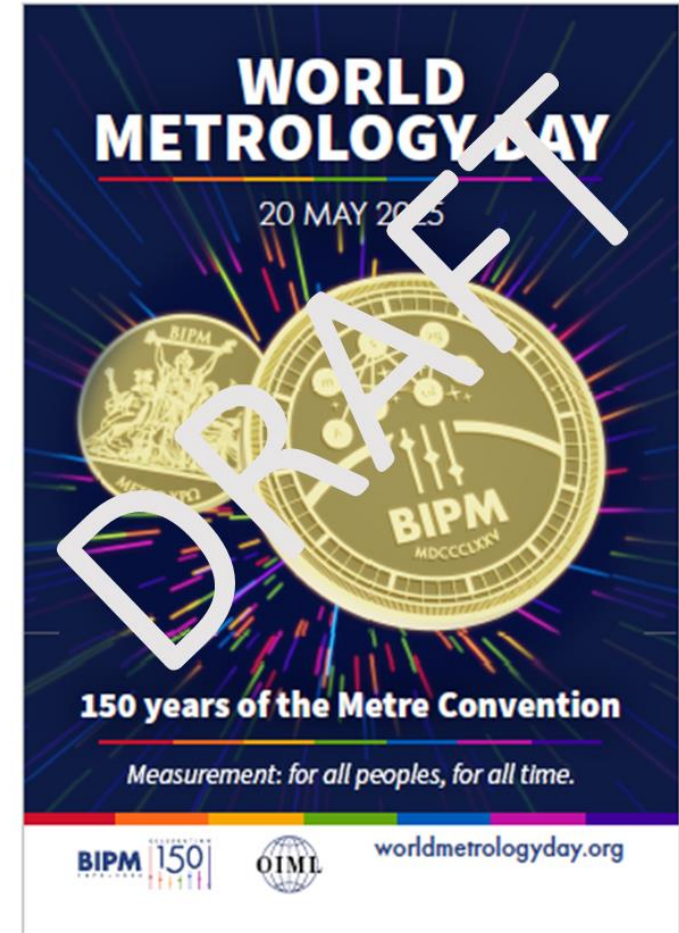

# Communication

- The events are focused on 20 May 2025 – which is World Metrology Day.
- Theme for WMD 2025 “*Measurement – for all times for all people*”
- Special logos for use with Anniversary events
