Joint CCM & CCU roadmap to 2018

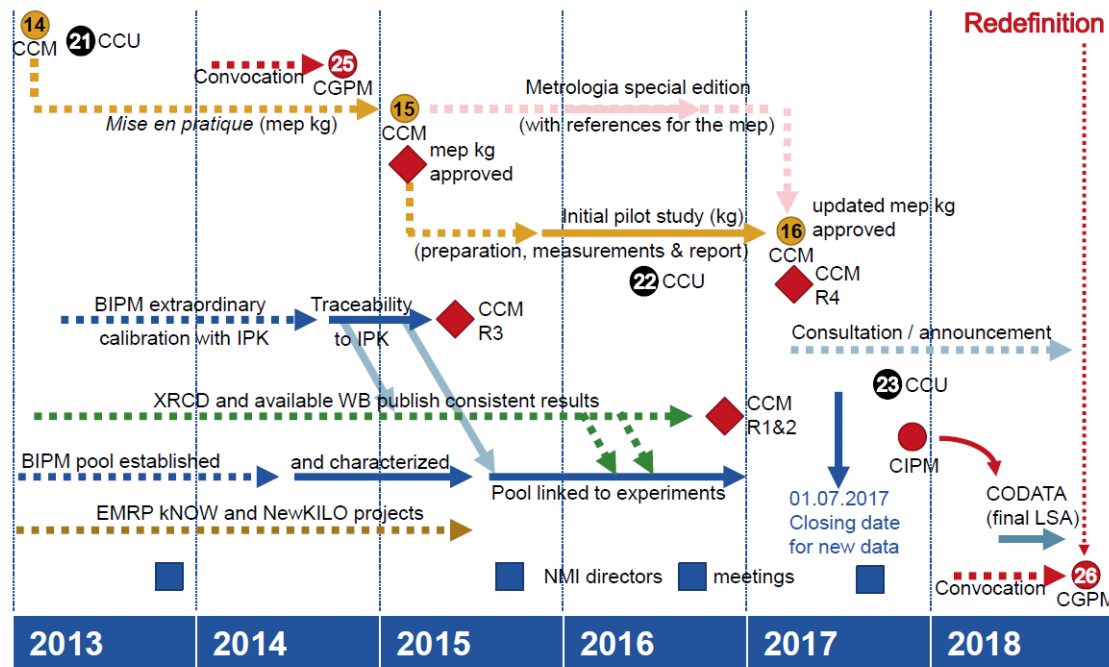

CCM mains actions since the 21st CCU meeting

1. Periodical review of the situation with the CCM Recommendation G1 (2013)
2. CCM Recommendation to NMIs on managing the consequences of the corrections to the BIPM as-maintained mass unit (2015)
3. Traceability to IPK re-established (BIPM)
4. Update of the CCM & CCU roadmap
5. Provisional approval of the *Mise en pratique*

Joint CCM & CCU roadmap to 2018

- ◆ The Joint CCM & CCU roadmap to 2018 was regularly updated
- ◆ More details on the roadmap under item 6 tomorrow

The *mise en pratique* (kilogram)

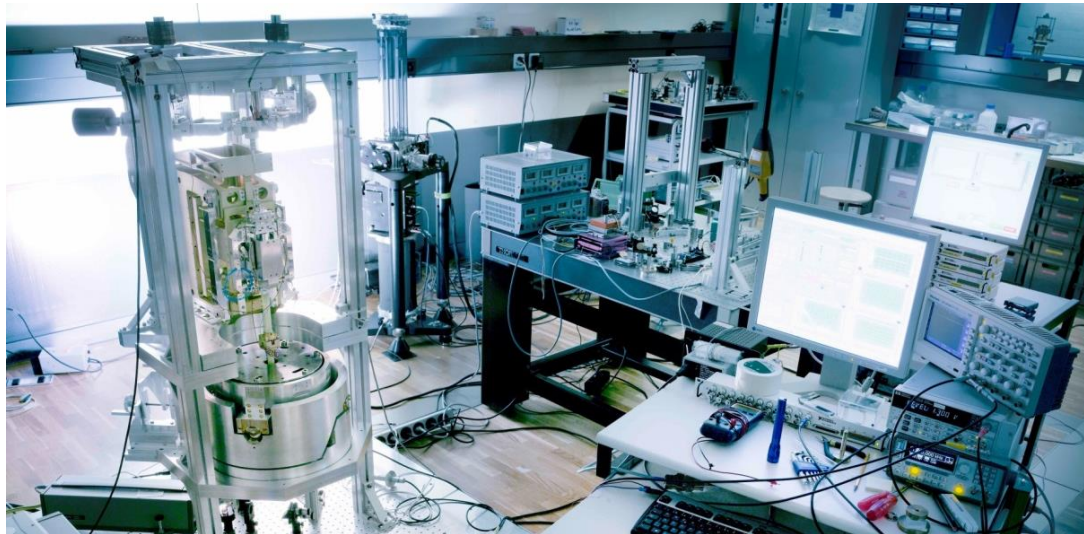

- ◆ The CCM approved provisionally the *mise en pratique* in 2015
- ◆ The CCM took note of the general principles of the pilot study. The pilot study is now on-going at the BIPM (validation of the *mise en pratique*)
- ◆ A Metrologia focus edition on the redefinition of the kilogram is under preparation (references for the *mise en pratique*)

- ◆ More details on the *mise en pratique* under item 7 tomorrow

Next steps

- ◆ Next CCM meeting in May 2017
- ◆ Final review of the situation with the CCM Recommendation G1 (2013)
- ◆ Approval of the results of the pilot study
- ◆ Final approval of the *mise en pratique*
