## Dotation of the BIPM

At its 26th meeting (November 2018), the General Conference on Weights and Measures (CGPM) adopted Resolution 4 on the annual dotation of the International Bureau of Weights and Measures (BIPM) for the years 2020 to 2023, which sets it as follows:

2020:	12 356 526 euros
2021:	12 480 091 euros
2022:	12 604 892 euros
2023:	12 730 941 euros.

## Contributive parts in 2020

The repartition of the dotation for 2020 is based on the United Nations' Scale of Assessments for the apportionment of expenses as adopted by the UN General Assembly in December 2018 for the years 2019 to 2021.

The repartition of the dotation for 2019, estimated in 2018 on the basis of the UN Scale of Assessments for the years 2016 to 2018, has been recalculated on the basis of the Scale of Assessments adopted by the UN General Assembly in December 2018 and applicable from 2019. The resulting correction of the contributive parts for the year 2019 is taken into account in the present Notification for 2020.

Those Member States marked with an asterisk pay the maximum or minimum contribution. Except for these States, the repartition percentage is calculated by multiplying the UN scale by 1.227.

For full details please refer to the explanatory note on the BIPM website:

- Calculation of the individual contributions to the BIPM dotation for Member States

## Subscriptions of Associate States and Economies of the CGPM

In its Resolution 4 adopted at its 24th meeting (2011), the CGPM increased the minimum percentage for Associate States to 0.1 % of the annual dotation of the BIPM.

The CGPM also decided that after an initial five-year period following granting of Associate status of the CGPM, if the CIPM considers, on the basis of the criteria it has adopted, that it would be appropriate for the Associate State to become a Member State, the amount of the subscription for such an Associate will be progressively increased each year so that after five years it reaches an amount equivalent to 90 % of the annual contribution it would pay as a Member State.

For full details please refer to the explanatory note on the BIPM website:
