Objet : RE: information for WG GNSS

To: Working Group on GNSS

Dear colleagues,

A meeting of the CCTF working group on GNSS will take place during the EFTF in York on Tuesday 5 April, 13:30 to 14:30.

It will be held in room P/T111, which is upstairs just above the registration area.

The draft agenda is as follows:

1. Group 1/2 calibrations for UTC : update on guidelines, results and implementation plans (G. Petit)
2. CGGTTS format V2E
Presentation (P. Defraigne)
Use of CGGTTS V2E in the context of UTC (G. Petit)
3. Any other business

Please feel free to provide other input.

Best regards,
Pascale and Gérard

PS: If you want to attend the meeting without having registered the EFTF (unlikely as it may be), please notify so we can pass the info to Helen Margolis:
